AFFILIATE MEMBERSHIP

Your Key to Business Opportunity!

Since 1916, the Greater Harrisburg Association of REALTORS® has been working to further the interests of home and real property owners and real estate professionals. With over 1600 REALTOR® members in the Central Pennsylvania area, the Association can proudly boast of its community and civic involvement, along with its professional achievements.

Affiliate Membership is open to any individual, who does not have an active real estate license but whose business provides services, supplies, or is otherwise related to or interested in the real estate industry. Membership in the Greater Harrisburg Association of REALTORS® may be considered your business insurance – perhaps your best investment for so little.

REALTORS® and our Affiliate Members are partners, working hand-in-hand in an ever-changing marketplace. Our combined mission to stimulate home ownership and real estate transactions in the Central Pennsylvania area requires open communication and understanding. Today's business environment is demanding and competitive - what better source of business leads and prospects than with REALTORS® and their clients.

Affiliate Membership belongs to the company. The company pays a one time application fee of \$125 and designates one individual to be the primary contact. Other individuals from the same company may join at a reduced rate.

Get Involved! As an Affiliate Member, you may also wish to lend your special talents and skills to Association committees, task forces, and activities. Getting involved in the Association is a great way to meet REALTORS®. REALTORS®, like most people, prefer working with people they know and can trust. Work with them on an Association project and they'll understand that you too subscribe to high standards of quality service and dependability. They'll know they can count on you.
