LOCAL REALTORS® CELEBRATE REALTORS® REACH OUT 2010

HARRISBURG (Oct. 25 2010) – On October 22, members of the Greater Harrisburg Association of REALTORS® volunteered with local organizations as part of the Pennsylvania Association of REALTORS® Reach Out 2010. More than 55 REALTORS® joined together to assist six area organizations with a variety of community service projects. REALTORS® performed home improvements, prepared meals, assisted with general clean up, and delivered needed items to eight different organizations in the south central Pennsylvania area.

“Giving back to our communities is very important to REALTORS®,” says Jim Spagnolo, President of the Greater Harrisburg Association of REALTORS®. “REALTORS® live and work in our communities, and we welcome the opportunity to help our fellow citizens and to help make our communities a better place.”

Gov. Edward G. Rendell proclaimed October 2010 REALTORS® Reach Out Month and offered his support to REALTORS® who are serving their communities.

“In addition to the critical services Pennsylvania REALTORS® provide through their profession, they also donate their time to various charitable organizations and enhance their communities by offering their support to those in need,” said Gov. Edward G. Rendell.

-more-

G HAR REALTORS[®] spent the day working with Bethesda Mission, Domestic Violence Services of Cumberland & Perry Counties, Downtown Daily Bread, New Hope Ministries, Ronald McDonald House, and Safe Harbour.

REALTORS[®] also delivered needed items to eight different organizations including, Bethesda Mission, Domestic Violence Services of Cumberland & Perry Counties, Downtown Daily Bread, Joshua Group, New Hope Ministries, Rebuilding Together Greater Harrisburg, Ronald McDonald House, and Safe Harbour.

“The Greater Harrisburg Association of REALTORS[®] was very honored to work with these organizations,” Spagnolo said. “Each organization is committed to helping others in our community, and we are very grateful for the opportunity to support these groups.”

###
