

REALTOR® Nationwide Open House

April 10-11

What it is:

The Greater Harrisburg Association of REALTORS® has teamed up with associations across the country for one weekend of Nationwide Open Houses. The purpose is to encourage those who are thinking of buying a home to take advantage of unique home market factors and the federal first-time home buyer tax credit that expires on April 30. This is the first event of its kind nationwide. In 2009, the Washington Association of REALTORS® was the first to hold a statewide open house weekend. NAR will be promoting the event on a national level.

Your Part:

Be sure to include your open houses for that weekend on the Central Penn Multi-List, Inc. Open House Web site. We'll be directing the public to this Web site to view open houses for that weekend.
